AIH – Background Overview

Arabia Investments Holding "AIH" was established in 1985, and successfully engaged in the contracting sector in Egypt. In 2010, the company was listed in the Egyptian Stock Exchange, becoming one of the most heavily traded stocks in the exchange.

In January 2014, the shareholders lobbied to issue a material dividend payout of EGp 107. Since late 2014, the company went through turbulent circumstances, and incurred increasing losses annually. In February 2014, the major shareholder at the time exited the company.

In November 2016, the devaluation of the Egyptian Pound, resulted in foreign exchange losses that amounted to EGp 487 in the automotive business, where EGp 387 were unrecognized.

An Egyptian entrepreneur and businessman based in Dubai, Jamal Othman, decided to invest in the business by May 2017. In July of the same year, board members of highly skilled professionals with global expertise were added. Management recognized the previous losses and implemented radical changes in AIH strategy, systems and culture and instated AIH set of corporate values. In May 2020, AIH attracted prominent independent diversified members to its new 7 members BoD with Mr. Sherif Shaheen as the CEO, to continue on AIH's value creation, capturing, & sustainability for all stakeholders.

Currently, the active companies in AIH portfolio of investments, the home of around than 1,100 staff, are:
